

2017-2018 Recipient

Jeffrey Doser
Class of 2018

Jeffrey is a Biology and Mathematics double major from Penfield, NY. He's in the Edgar Fellows Honors Program and captain of the diving and swimming teams. Jeffrey works on campus as a student database programmer. He relieves mental stress by swimming and enjoys spending time relaxing with friends. Jeffrey is very interested in all aspects of science, especially soundscape ecology—the field in which he's planning on performing research in graduate school.
